

Proposed H. B. No. #5174 –

Artsplace, a town-owned Cheshire art school is pleased to sponsor a Michaela's Garden at 1220 Waterbury Road. As Director, I encourage the passage of Bill 5174.

Selecting Michaela Petit's Four O'Clock Flower as the Connecticut Children's Flower will be a perfect choice to represent the hopes and dreams of all Connecticut's children.

For not only is it a heartfelt expression to remember any child that has left us, the resilience and beauty of the Four O'Clock flower symbolizes hope for a future represented not by violence, but instead by education and good will.

We ask for your positive support on Bill 5174. Thank you.

Joan Pilarczyk, Artsplace Director
